

Partly Separate Opinion of Judge Anita Ušacka

I agree with the approach taken by the Appeals Chamber to reject the pending applications because they appear to be repetitive of the observations already received. However, my main reasons for rejecting the two applications to submit observations pursuant to rule 103 of the Rules of Procedure are those expressed in my Dissenting Opinion to the “Decision on the requests for leave to submit observations under rule 103 of the Rules of Procedure and Evidence” rendered on 13 September 2013 (ICC-01/09-01/11-942-Anx).

Done in both English and French, the English version being authoritative.

A handwritten signature in black ink, appearing to read 'A. Ušacka', written over a horizontal line.
