

ANNEX – CORRIGENDUM

1. In Paragraph 5, “14” was added after “On 13 and”.
2. In footnote 6, “their non-objection was premised on the fact that, if granted, they do not want this issue raised by the Defence in support of a postponement of the start of trial” was replaced with “our team has no objection to the defence request on this issue so long as it does not result in any delay to the start of trial.”
