Subject: Decision on Request for Extension of Time Due to TRIM Unavailability

Follow Up Flag: Follow up
Flag Status: Flagged

Dear Counsel:

In relation to the request of the parties and participants to extend all time limits expiring during the period of TRIM's unavailability (14 to 20 April 2017), the only deadlines apparent during this period concern those relating to lesser redacted transcripts (see ICC-02/04-01/15-497, para. 37). Noting that the unavailability of TRIM may affect the ability to make informed redaction proposals, and pursuant to Regulation 35(2) of the Regulations of the Court, the participants are granted an extension of time until 24 April 2017 for lesser redacted transcript deadlines falling during the period of TRIM's unavailability.

For an extension of any other deadline which may fall during this period, requests may be made to the Chamber via email.

Best,

Trial Chamber IX

Subject: TRIM 'outage'

I write on behalf of all parties and participants, whose consent to the proposition advanced in this email I have secured before sending.

We note that TRIM services will be unavailable from 14 to 20 April 2017 due to maintenance and upgrade work being carried out during that time and that there will be further limitations after this time. Among other consequences, this means that there will be no access to any of the Chamber's decisions or to the transcripts during this period.

We respectfully propose that the Chamber should order that all time limits expiring during the period of TRIM's unavailability are extended (pursuant to regulation 35(2) of the Regulations of the Court) to 24 April 2017, when it is expected that TRIM services will have resumed in full. We understand that this is the order which has already been made by Trial Chamber I in respect of this matter.

Regards

Ben Gumpert
