Dear Counsel:

Paragraphs 19-20 of Decision 497 indicate the relevant deadlines and required information when giving advance notice of the material(s) to be used during witness examination. In addition to the required information specified in Decision 497, the participants are also to indicate whether they wish for the material(s) in question to be displayed to the witness and/or the public. This is to facilitate the work of the Registry when displaying materials during the hearings.

This direction shall take effect as of the end of this block (16:00 on 21 June 2017).

Best,

Trial Chamber IX
