RE: Disclosure of Rule 78 Pack 36

Dear Ben,

The Defence for Dominic Ongwen hereby discloses one (1) MS Excel file to the Prosecution.

The MS Excel file has ERN UGA-D26-0027-0012 and is public. It is the MS Excel file used in the proceedings today with Professor A.D. Kloosterman which details the frequency of alleles in the USA population.

Please let the Defence know if you have any issues uploading it into Ringtail.

Best regards,

Hon. Krispus Ayena Odongo, Counsel
