 [REDACTED] 099, Annex B)

Dear Trial Chamber IX,

The Prosecution yesterday, 12.12.2017, filed the "Prosecution's submission of its Fifth Updated List of Evidence" with Annex B classified as public, instead of confidential. The filing was notified at 16:05 hrs as Filing ICC-02/04-01/15-1099.

Upon noticing the error, the Prosecution requested the Registry to temporarily restrict access and impose a caveat on accessing the document (email chain below).

The Prosecution respectfully requests the Trial Chamber to authorize reclassification of Annex B from public to confidential, in accordance with Regulation 23*bis* Paragraph 2 of the Regulations of the Court, because it contains information that is currently classified as confidential in the case record.

Best regards,
 [REDACTED]
