Dear Registry and Counsel:

In accordance with sub-paragraph 6(viii) of Decision 1211, the Registry has prepared a site visit report reflecting the judicial activity. As indicated in this same sub-paragraph, the Chamber 'will take the site-visit – and the information in this report - into account when assessing the evidence in this case'.

The Chamber has now approved the Registry report (see attached). The Registry is directed to formally file this report into the case record next week.

Best,

Trial Chamber IX
