**Subject:** Request for Reclassification of filing

Dear Trial Chamber IX, parties, and participants,

In response to the Trial Chamber's decision and order in ICC-02/04-01/15-1281, the Prosecution has reviewed its filing ICC-02/04-01/15-877-Conf and concluded that no redactions are necessary before making the filing public.

Rather than filing a separate public redacted version, therefore, the Prosecution requests that filing ICC-02/04-01/15-877 be reclassified as Public.

The annex (ICC-02/04-01/15-877-Conf-AnxA) should also be reclassified as public.

Best regards,

[REDACTED]
