Dear Registry and Counsel:

In order 1275, the first block for the Defence presentation of evidence was scheduled to run from 27 September 2018 to 10 October 2018.

This schedule now needs to be modified. The first block for the Defence evidence presentation will now run from 1 to 10 October 2018. The Registry is to update the court calendar to reflect the new schedule.

The Defence opening statements will still be given on 18 September 2018.

Best,

Trial Chamber IX
