Dear all,

The fact that different deadlines apply to the Defence filing was pointed out by the Prosecution, not by the Defence, as stated below.

Apologies for any inconvenience resulting from this mistake.

Kind regards,
 Trial Chamber IX

 Subject: RE: Request for extension of time

Dear Parties and Participants,

The Chamber notes the Request by the Prosecution.

The email of the Defence (and its argumentation why a response should be filed on 26 August 2019) is silent to the fact that request -1567-Conf has two different deadlines applying for its response, as pointed out by the Defence.

Pursuant to Regulation 35, and bearing in mind Regulations 34 and 65 of the Regulations of the Court, the Chamber hereby modifies the deadline for any response to filing ICC-02/04-01/15-1567-Conf ('Motion for Reconsideration or, In the Alternative, for Leave to Appeal Portion of the 'Decision on Defence Request to Add Two Witnesses to its List of Witnesses and Accompanying Documents to its List of Evidence') to Friday, 30 August 2019.

Kind regards,

Trial Chamber IX

Dear Trial Chamber IX,

On behalf of Co-Counsel Taku, I write to inform the Chamber that the Defence does not object to a short extension to the due date of the response to ICC-02/04-01/15-1567-Conf ('Request').

The Defence submitted its Request six calendar days after the decision on the Request. It would only be appropriate that the Prosecution receive equal time to submit its response. As the sixth day lands on a Sunday, the Prosecution's response would be due Monday, 26 August 2019.

The Defence does not object to an extension of the time limit until Monday, 26 August 2019.

Sincerest regards,

Subject: Request for extension of time

Dear Trial Chamber IX,

Defence filing ICC-02/04-01/15-1567-Conf (the Defence's Motion for Reconsideration or, In the Alternative, for Leave to Appeal Portion of the 'Decision on Defence Request to Add Two witnesses to its List of Witnesses and Accompanying Documents to its List of Evidence') is a hybrid filing. The deadline for a response to the request for leave to appeal is three days, while the request for reconsideration would normally give rise to a deadline of ten days from the request.

In the light of the new information the Defence provides in the Motion (as grounds for reconsideration) the Prosecution would be grateful if the deadline for filing a consolidated response to ICC-02/04-01/15-1567-Conf could be extended by seven days to Monday, 2nd September 2019 at 16:00.

Kind Regards,
