**Subject:** hearing schedule for the remainder of 2019

Dear parties and participants,

Please find below the hearing days for the rest of 2019.

It is not envisaged that all scheduled days are needed to finish the remaining witnesses of the Defence. The greater number of sitting days has been scheduled in order to have some buffer days.

Bearing in mind the planned schedule and that to date about 2/3 of the Defence *viva voce* witnesses have testified, the Chamber invites the Defence to review the outstanding witnesses in order to determine – also in light of the evidence heard to date – whether it wishes to call all remaining witnesses.

The Chamber stresses that this is no order and that the decision whether to call the remaining witnesses lies at this point in time solely with the Defence.

Equally, the Chamber invites the Prosecution, should it envisage seeking leave to present any rebuttal evidence, to make such request as early as possible.

Kind regards,  
Trial Chamber IX
