Subject: RE: In-court protection measures for witness MLI-OTP-P-0623

Dear Colleagues,
 Dear Counsels,

Please find the corrected version:

The VWU would like to inform the Chamber, the parties and the participants that during its interview with the witness MLI-OTP-P-0623, the latter requested the implementation of the voice distortion. The VWU is however of the view that the measures already granted by the Chamber in its “First decision on in-court protective measures” issued on 31 August 2020 (ICC-01/12-01/18-1019-Conf-Exp and ICC-01/12-01/18-1019-Conf-Red) sufficiently protect the witness.

Kind regards,
