Dear counsel, dear colleagues from the Registry,

In order to further enhance the publicity of the proceedings, the Chamber instructs the calling participant, in consultation with the VWU as necessary, to inform the Registry's Public Information and Outreach Section (PIOS), on a weekly basis, of the witnesses scheduled to testify. This information may be used by PIOS for its outreach activities on social media.

The information provided should include (i) the pseudonym and, in case of a witness testifying without in-court protective measures, the name of the witness; (ii) the type of witness (i.e. crime base, expert etc); (iii) the expected content and duration of the testimony and (iv) any changes to the witness schedule.

The witness's consent for their names to be made public for this purpose should be secured by the calling participant in advance.

Kind regards, TC V
