Subject: Request for reclassification

Dear Trial Chamber V,

On behalf of the Registry I bring your kind attention to the following message.

On 28 January 2021, Trial Chamber V ordered the reclassification as public of the “Second Decision on Mr Ngaissona’s Restrictions on Contacts and Communications in Detention” (ICC-01/14-01/18-582). Pursuant to paragraph 44 of the “Decision on Reclassification of Documents”(ICC-01/14-01/18-856-Conf), the Registry identifies the “First Registry Report on the Implementation of the Restrictions on Contact of Mr Ngaissona Ordered by Trial Chamber V” (ICC-01/14-01/18-546-Conf)” as the underlying document. The Registry has reviewed the report and respectfully informs the Chamber that no redactions are warranted, and thus requests the Chamber to grant the reclassification of this document to public. The Registry regrets having missed the two week deadline in the Chamber’s Decision on Reclassification of Documents to have requested reclassification or filed a public redacted version, and presents its excuses to the Chamber.

Kind regards,

[REDACTED]
