

EXPLANATORY NOTE

Explanation of Corrigendum to ICC-02/17-146

1. On 6 May 2021, the Registry transmitted to Pre-Trial Chamber II ("Chamber") a document entitled "Victims' response to the Prosecutor's "Notification on status of the Islamic Republic of Afghanistan's article 18(2) deferral request" and request for compliance with Part 5 of the Statute" ("Transmission").
2. The transmission indicated "While the Appeals Chamber granted the Submitter the right to submit observations as Amicus Curiae..." in paragraph 5. This is inaccurate in view of the Appeals Chamber decision (ICC-02/17-97). It is therefore corrected to now indicate "While the Submitter was considered "participant" before the Appeals Chamber...".
3. Paragraph 6 is deleted from the transmission notice.
4. The Registry is therefore transmitting to the Chamber, a corrected version of the Transmission.
