RE: Request from External Video Crew Filming the Case Proceedings

Dear counsel,

In principle, the Chamber has no objection to the request. This, of course, does not replace any rule or requirements imposed by the Registry for access to, and presence in the courtroom, including any COVID-related rules. If authorised, the film crew may be given access to the courtroom under the same conditions and following the same standard protocol as the photographer of PIOS, with whom they should indeed coordinate with.

Best regards,
Trial Chamber IX

Dear Trial Chamber IX, dear all,

I'm just passing along the request. I don't know what the crew would or would like to do, or anything related to PIOS. But, the Defence agrees with the Prosecution's related to all COVID-19 requirements. I'm fully vaccinated, but I'm probably in the very small minority of people who shall be in the courtroom who are fully vaccinated.

Very best,

[REDACTED]

Subject: RE: Request from External Video Crew Filming the Case Proceedings

Dear Trial Chamber IX, Defence, and LRV teams,

The Prosecution does not oppose the request below, as long as the film crew complies with any applicable mask requirement or other COVID-related rules for the courtroom.

In case it may be helpful, the Prosecution notes that the Registry's PIOS often films or takes photographs in the courtroom prior to such a hearing. Unless the Defence prefers to coordinate and supervise the crew's access, perhaps that work could be done by PIOS.

Best regards,

Subject: Request from External Video Crew Filming the Case Proceedings

Dear Trial Chamber IX,

I have been asked by the independent film crew who has been following the case to request that they be allowed to film in the Court before the hearing on 6 May 2021 starts.

Best regards,
