Subject: RE: Remote attendance of the Rule 74 Counsel for P-0884

Dear colleagues from the Registry,

The Single Judge defers to the Registry's assessment in this regard, provided that the Registry ensures (i) the security of the transmission; (ii) the possibility for the witness to communicate with his counsel at all times during the hearings; and (iii) that the proceedings will not be unduly interrupted or delayed due to technical failures in the remote participation system.

Kind regards, TC V

Subject: Remote attendance of the Rule 74 Counsel for P-0884

Dear Trial Chamber V,
 Dear all,

Hereby, I would like to inform you that the Rule 74 Counsel appointed for P-0884 is currently in Cameroon and she was scheduled to travel next week to the Netherlands. However, she has not yet received her Schengen visa and therefore it seems unlikely that she will be able to attend the hearings in person (unless Visa is given and quarantine period is forfeited).

In this regard, I would like to verify with the Chamber whether it is advisable for the Counsel to travel Bangui in order to follow the proceedings from the Country Office or whether the Counsel could follow the proceedings remotely from Cameroon?

Please also be informed that we are consulting with IMSS to accommodate the remote attendance of the Rule 74 Counsel and the means of communication for consultations between the Counsel and the witness.

Thank you for your attention.

Kind regards,
 [REDACTED]
