Subject: Time limits - further submissions admissibility of evidence

Dear counsel,
Dear colleagues,

During the status conference held on 23 March 2022 (T-025), the Chamber instructed the Defence to file further submissions, if any, on the admissibility of evidence collected after the confirmation hearing (see filing 636, para. 26) by 6 April 2022. The Prosecution was given until 20 April 2022 to file any response thereto. However, the Chamber notes that in the list of witnesses, witness P-0903, who is scheduled to testify on 12-13 April, falls within the category of evidence challenged by the Defence.

The Chamber therefore finds it necessary to shorten the aforesaid deadlines, so that this matter can be decided upon before the scheduled testimony. The Defence may file any further submissions by 1 April 2022. The Prosecution may file any response by 7 April 2022.

Kind regards,
