**Subject:** TC V's Determination of Prosecution Request ICC-01/14-01/18-1285-Conf

Dear counsel,

The Single Judge notes the Prosecution's 'Request for leave to add 21 Items to the List of Evidence and their Submission from the Bar Table, and to extend the estimated examination time for P-0889' (ICC-01/14-01/18-1285-Conf) and the participants' responses thereto (ICC-01/14-01/18-1292-Conf; ICC-01/14-01/18-1293-Conf). The Single Judge also notes that P-0889 is scheduled to commence his testimony on 8 March 2022.

With a view to ensuring the efficiency and expeditiousness of the proceedings, and in order to facilitate the participants' preparation, the Single Judge hereby communicates his determination of the request with full reasons to follow. The Single Judge rejects the Prosecution's request to add 21 items to its List of Evidence with the exception of eight items, namely CAR-OTP-2131-1012; CAR-OTP-2131-5154; CAR-OTP-2131-6832; CAR-OTP-2132-7226; CAR-OTP-2132-7764; CAR-OTP-2133-2735; CAR-OTP-2133-2741; and CAR-OTP-2133-8109. The Single Judge authorises the inclusion of these eight items in the Prosecution's list of materials for the examination of P-0889. Further, the Single Judge rejects the Prosecution's request to extend the estimated examination time for P-0889 from two to six hours.

Moreover, with regard to the suspended response deadline to the Bar Table Application (see email from the Chamber, 18 February 2022, at 13:41), the Single Judge instructs that responses, if any, be filed by 31 March 2022.

Kind regards, TC V
