Subject: TC X: Decision on request concerning victim application related to [REDACTED] testimony

Dear colleagues,
 Dear counsel,

The Single Judge notes the Defence request for access to victim applications concerning [REDACTED] (the 'Request'). The Single Judge observes that although this individual is not a witness, he was mentioned during the testimony of [REDACTED]

The Single Judge considers that the present Request is a specific request as foreseen in Decision 1248, para. 16. In the Request the Defence clearly identifies one individual ('[REDACTED]') who has been assigned [REDACTED] who was mentioned in the in-court testimony and witness statement of [REDACTED], in relation to an incident involving the acts and conduct of the accused. The Single Judge therefore considers that the application form of this individual (if one has been filled-in and submitted) may have information necessary for the determination of the truth and that could therefore be material for the preparation of the Defence.

In light of the impending start of cross-examination of [REDACTED] the Single Judge considers that the form, if any, should be transmitted directly (with redactions if necessary) to the Defence, rather than first to the Prosecution.

Accordingly, the Single Judge instructs the VPRS to transmit to the parties **as soon as possible** the victim application form of [REDACTED] or indicate if no application form has been submitted to the Registry on his behalf. The Registry may apply redactions to avoid disclosing the witness's contact details.

Best regards,
 [REDACTED] on behalf of the Single Judge of Trial Chamber X

Subject: FW: Victim Application - [REDACTED]

Dear Trial Chamber X,

In the event that the Chamber were to place any weight or accord any relevance to the incident pertaining to [REDACTED] the Defence should be afforded a full and fair opportunity to access information or evidence concerning this account. This includes victim application forms submitted before the ICC ([REDACTED]) by, or on behalf of [REDACTED] (or in relation to this incident). The Defence request therefore falls squarely within the terms of the Chamber's previous determination (email decision of 14 April 2021) concerning victims who are referred to by witnesses. For this reason, the Defence respectfully requests the Trial Chamber to order the LRV/VPRS to transmit any applications that correspond to this description.

Kind regards
 Melinda Taylor on behalf of the Al Hassan Defence

Chère Consoeur,

Nous comprenons que vous cherchez à savoir si la personne [REDACTED] aurait déposé un formulaire de demande de participation.

Vous comprenez que même si tel était le cas, nous ne pouvons répondre à cette demande qui est dénuée de fondement légal et relève selon nous de la pêche aux informations en l'absence de justification quant à la pertinence des informations demandées. Nous exprimons notre inquiétude quant à une attitude qui vise manifestement à identifier de façon générale voir systématique, au fil des dépositions, et vis-à-vis de toute personne citée 1) les personnes qui sont ou pas victimes admises à participer voir demanderesses 2) le cas échéant obtenir communication de tout formulaire déposé. Nous regrettons d'avoir à répondre à des demandes dans lesquelles le critère de la pertinence (pourtant largement rappelé par la Chambre dans sa décision du 10 septembre dernier) n'est même pas avancé et encore moins motivé. Il vous appartient bien évidemment de saisir la Chambre si vous entendez maintenir votre demande .

Bien cordialement,

Pour les Représentants légaux
